FEATURES

Compact and powerful, the **DUKANE ImagePro 8800** is ideal for the professional presenter, or as a shared educational resource that needs to be used in a variety of lighting situations. Featuring dual computer inputs/outputs the **ImagePro 8800** can accommodate two PC sources, two MAC sources, or PC and MAC simultaneously. The **ImagePro 8800** also has dual video inputs, both s-video and standard RCA type. The full featured IR remote control doubles as an "air mouse" and a laser pointer, freeing the presenter to move around and interact with the audience. The **ImagePro 8800** delivers high performance at an affordable price.
